THIRD ORDER EXTENDING STAY OF PROCEEDINGS TO ALLOW PARTIES TO PARTICIPATE IN THE BOARD'S ALTERNATIVE DISPUTE RESOLUTION PROGRAM

On April 19, 2023, the City of Rochester, New Hampshire ("City") petitioned the Environmental Appeals Board ("Board") to review certain conditions of National Pollutant Discharge Elimination System permit no. NH0100668, which the U.S. Environmental Protection Agency ("EPA") Region 1 issued to the City on March 20, 2023. The City and EPA Region 1 agreed to participate in the Board's Alternative Dispute Resolution ("ADR") program. On May 12, 2023, the Board issued an order staying all proceedings to allow for the ADR process to proceed. On May 31 and July 26, 2023, the Board extended the stay.

The settlement judge has notified the panel that the parties are continuing to make progress towards resolution of the matter and that a further stay of the proceedings until sixty days beyond the expiration of the current stay on Friday, October 6, 2023, is warranted.

Accordingly, all proceedings in this matter are stayed until **Tuesday, December 5, 2023**.

So ordered.
