Summary

Draft Title V operating permit, statement of basis, public notice bulletin, and administrative docket (application and other supporting documentation) for the Deseret Power Electric Cooperative - Bonanza Power Plant, located on Indian country lands within the Uintah and Ouray Indian Reservation in Utah. The public comment period for this draft permit will end at 5:00 p.m. Mountain Time on March 11, 2021.

EPA Region 8 has elected to hold a virtual public hearing via teleconference for the draft permit on March 11, 2021, from 1:00 pm to 5:00 pm Mountain Time.

Details on how to participate in the hearing:

- All those that would like to testify will need to register by sending an email to rao.lohitaksha@epa.gov with your first and last name along with your affiliation.
- This public hearing will be held virtually on Microsoft Teams. A link to download this free application is provided [here](#). If you wish not to download Microsoft Teams, please still use the link below and click on the option “Continue on this browser” when the link opens. Note: The download of Microsoft Teams is not required to participate.

By participating in EPA hosted virtual meetings and events, you are consenting to abide by the agency's terms of use. In addition, you acknowledge that content you post may be collected and used in support of FOIA and eDiscovery activities.

- We will determine the amount of time allowed for your testimony based on the number of people in attendance who register to make a statement. The hearing officer will announce the time allotted per speaker at the beginning of the hearing. Please state your name and your affiliation. It will help our court reporter if you also spell your name. We will keep time through an electronic timer system which will signal at 1 minute prior to the end of the allotted speaking time and when the allotted time has expired. You will be asked to stop speaking when your time has expired. After you finish your testimony, the hearing officer may ask clarifying questions.
- The virtual public hearing will be transcribed by an assigned court reporter. Each speaker's oral testimony will be included in the public docket without change and will be made available online at <http://www.regulations.gov>, including any personal information provided.
- Any written comments provided will be included in the public docket without change and will be made available online at <http://www.regulations.gov>, including any personal information provided.
- We will not respond to comments during the public hearing. When we publish our final action, we will provide written responses to all oral and written comments received on our proposed action.
- Please let us know if we can assist you in any way by reaching out to Lohitaksha (Lo.) Rao by email at rao.lohitaksha@epa.gov.
