EPA PUBLIC NOTICE
Underground Injection Control (UIC) Program
Notice of Proposed Permit Issuance for:

Penneco Environmental Solutions, LLC
6608 Route 22
Delmont, PA 15626

The U. S. Environmental Protection Agency Region 3 (EPA) is issuing a proposed permit under the authority of the federal Underground Injection Control (UIC) regulations at 40 Code of Federal Regulations (C.F.R.) Parts 124, 144, 146, and 147 to Penneco Environmental Solutions, LLC (“Penneco”).

Description: Penneco applied for one (1) UIC Class II injection well permit, to be used for the injection of fluids produced solely in association with oil and gas production. The injection well is located in Plum Borough, Allegheny County, Pennsylvania. The draft permit will allow Penneco to inject produced fluids into the Murrysville sandstone formation in the subsurface perforated interval between approximately 1,740 feet to 1,800 feet below ground surface. If the final permit is issued to Penneco, it will remain in effect for ten (10) years. A permit is required to meet the provisions of the EPA-administered UIC Program in Pennsylvania.

Public Hearing: EPA has scheduled an in-person public hearing for August 30, 2022 at the Plum Community Center, 499 Center New Texas Road, Pittsburgh, PA 15239 from 6:00 pm to 8:00 pm EST.

There is no need to register in advance for the hearing. The meeting organizer will call on people to deliver their oral comments. Participants who want to supply written or printed materials can do so using the information listed below.

General Notice: If you would like to be added to a general mailing list for notice of any UIC permitting action in Pennsylvania, Virginia, and Washington D.C., please notify EPA of your interest in being added to the list by sending an email to R3_UIC_Mailbox@epa.gov with the email address you would like EPA to use for notice to you. Please specify if you are interested in permitting actions in all three jurisdictions (Pennsylvania, Virginia, and Washington D.C.) or only in particular jurisdiction(s). If you don't have access to email, you may also send a request to be included on the list to the physical address listed below.

EPA Requests Public Comments on the Permit Issuance
Public Comments on the permit issuance will be accepted until August 30, 2022

The administrative record for this permitting action is available for review.
