Subject: Re: Discussion on maximum allowable injection pressure calculations and critical pressure front methodology

Importance: High

Yes we can be available to discuss. The team is generally open tomorrow so just suggest a time. (only caveat is that we are on west coast PST time).

Subject: Discussion on maximum allowable injection pressure calculations and critical pressure front methodology

Tyler,

Do you have any time tomorrow to talk about these two issues? Feel free to invite others from your team that have expertise in these areas.

Thanks,

Jeff
