ENTER ORDER:

On May 20, 2021, the parties filed a Joint Status Report and Notice of Settlement-In-Principle (Dkt. 156), wherein the parties jointly request that the court remove this matter from the July 13, 2021 Non-Jury Trial Docket and strike all deadlines. The parties indicate that they have reached an agreement on the key terms of settlement but will need an extended period of time in order to finalize the terms of the settlement. The Court declines to strike the trial setting and deadlines but will **CONTINUE** this matter to the Court's September 2021 trial docket pending the parties finalizing the terms of settlement.

All rulings on the Parties' pending dispositive motions, Daubert motions, and motions in limine (Dkts. 125, 126, 127, 129, 130, 131, 132, and 133) are stayed for an additional 90 days in order to facilitate the settlement process. If the parties' consent decree has not been submitted to the Court within 90 days, the parties are to jointly report to the Court on the status of this matter.

By direction of Judge Patrick R. Wyrick, we have entered the above enter order.
