

Safe Drinking Water Act

R9-9-24. Authority to Deny, Transfer, Modify, Revoke, Reissue and Terminate Permits

1. **AUTHORITY:**

To deny, transfer, modify, revoke, reissue and terminate permits under EPA-administered Underground Injection Control programs.

2. **TO WHOM REDELEGATED:**

The Director of the Water Division and the Director of the Enforcement Division.

3. **FURTHER REDELEGATION OF AUTHORITY:**

a. This authority may not be redelegated.

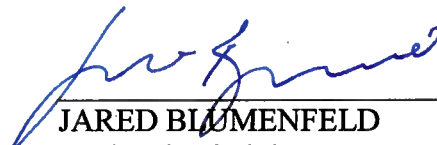

b. This authority may be exercised by any person in the chain of command down to the person to whom it has been redelegated. Any redelegation of this authority does not divest the official making the redelegation from the power to exercise this authority.

4. **SUPERSESION:**

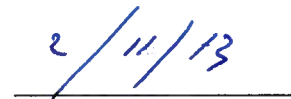

This delegation supersedes any and all prior regional orders delegating the authority contained herein, including Regional Order R9-1250.17A, dated September 12, 1985.

5. **ADDITIONAL REFERENCES:**

40 CFR 144.38, 144.39, 144.40, 144.41; and 40 CFR 124.5.
