

Update by 12/16/15. Publicly Noticed Permits table: <http://www.maricopa.gov/aq/news/PublicNotices.aspx>

On the Publicly Noticed Permits table:

- (1) Delete the 5 rows (highlighted in red below) & delete docs associated with the rows.
- (2) Insert the top 4 rows as shown in the table below (all documents found in P:\RECORDS\Public Notice Web Materials)
 - i. Link new 1st row Notice of Hearing to PH_PN16Dec15_V95007.pdf
 - ii. Link new 2nd row Draft Permit, Draft TSD, Application, Nearby Facilities, Notice of Hearing (last column) to those documents for V95007 APS Ocotillo Power Plant and PH_PN16Dec15_V95007.pdf (notice of hearing)
 - iii. Link new 3rd row Draft Permit, Draft TSD, Application, Nearby Facilities (last column) to those documents for V99013 Redhawk Generation Facility
 - iv. Link new 4th row Draft Permit, Draft TSD, Application, Application (app order doesn't matter) to those documents for 980392 Corrosion Engineering
- (3) maintain all other dates and links in currently-existing rows

Also, please make sure the full column headings show up as listed in this table.
