Tom, thanks for drafting. I made several non-substantive changes (I am not the Petitioner, only counsel for the Petitioners). I approve filing of the Motion upon acceptance of the edits contained in the attachment to this email. Thanks again,

John Barth

I am attaching what I hope is a close to final draft of the Motion EPA will be filing. This motion requests extensions of time to file responses for EPA and APS to October 18, and an extension of time for Petitioner to file a reply to December 14.

It also, as before, notifies the EAB that we are using electronic filing.

I believe this captures today's call and email communications. If you agree that you, on behalf of your client, would not oppose this motion, please say so in a return email. I will attach those to this filing.

Thanks.
