THIRD ORDER EXTENDING STAY OF PROCEEDINGS
TO CONTINUE ADR PROCESS

The parties in the above-captioned matter have been actively participating in good faith in the Environmental Appeals Board's Pilot ADR program. According to the Settlement Judge, although the parties have reached an agreement in principle, they require additional time to execute a final agreement.

Based on the recommendation of the Settlement Judge, the Board hereby extends the stay in this matter until January 25, 2013.

So ordered.
