Re: Appeal of California Public Utilities Commission decision on
San Diego Gas & Electric Company's Sunrise Powerlink Project filed by Cindy Buxton
Applications A.05-12-014 and A.06-08-010

To whom it may concern,

On November 5, 2010, Cindy Buxton filed an appeal with the Environmental Appeals Board (EAB). Ms. Buxton has asked the EAB to review approvals for the Sunrise Powerlink transmission project in Imperial and San Diego Counties in California. Ms. Buxton's appeal is stamped as received by the EPA on November 15, 2010.

Ambiguous language in Ms. Buxton's appeal may give the impression that the appeal was filed on behalf of the Sierra Club. In fact, the appeal was not filed on behalf of the Sierra Club; rather, it is a personal appeal by Ms. Buxton.

Please contact me if you have further questions regarding this matter.
