Pursuant to 40 C.F.R. § 124.19(g), Appellant, the Ute Indian Tribe of the Uintah and Ouray Reservation (the “Tribe”), respectfully requests that the Environmental Appeals Board (“EAB”) grant a 14-day extension of time to file its Reply Briefs in the above-captioned appeal.

In accordance with 40 C.F.R. § 124.19(f)(2), the Tribe contacted both the Region and Deseret prior to filing the present motion, both of whom represented that they do not oppose the extension of time requested herein.

The Tribe is requesting an additional fourteen (14) days on the basis that the Tribe will be replying to two separate and distinct legal briefs responding to what the Region accurately characterized as a wide range of issues to be addressed in the present appeal. Undersigned counsel also needs to ensure there is adequate time to confer and obtain input from Tribal leadership. The Tribe does not anticipate requesting any additional extension of time in connection with the Reply Briefs.

For the reasons stated above, the Tribe respectfully requests that the EAB grant a 14-day extension of time to April 22, 2024 for the Tribe to file its Reply Brief.

Respectfully submitted this 4th day of April 2024.
