**Re: NPDES 08-04: Madera Irrigation District's Petition for Review In re The  
Chukchansi Gold Resort and Casino Waste Water Treatment Plant, NPDES  
Permit No. CA0004009**

Dear Clerk:

To confirm my February 20, 2008 voicemail and our February 21, 2008 telephone conference, Madera Irrigation District ("MID") does not oppose EPA Region IX's Motion for Extension of Time to File Response to Petitions for Review, extending EPA's response deadline from February 22, 2008 to February 29, 2008. MID telephonically communicated its non-opposition to EPA's Motion to Ms. Ann Nutt of EPA Region IX on February 20, 2008.

Please feel free to contact me or Michael A. Campos at (916) 447-0700 if you have any questions.

Very truly yours,

Melissa A. Foster
