How could I, or the public, honestly participate in this permitting process? First, the project was a modification of one permit and later it was issued as a new, separate permit?

Please review this matter and ask Region to obey their own regulations.

Respectfully submitted on May 23, 2014.

Russ Wade, citizen petitioner

1991 Heller Lane,
Redding,CA 96001
(530) 244-5250
