Permit Number: PSD-FL-375  
Appeal Number: PSD 08-09

Dear Ms. Vielhauer:

Enclosed is a petition dated October 6, 2008 (received by the Environmental Appeals Board (the "Board") on October 6, 2008, filed by Joanne Spalding, on behalf of the Sierra Club, asking the Board to review a PSD determination by your department.

To assist the Board in deciding whether the matters raised by Petitioner should be reviewed, please have your staff prepare a response that addresses Petitioner's contentions and whether Petitioner has satisfied the requirements for obtaining review under 40 C.F.R. Section 124.19.

Response Seeking Summary Disposition. If you believe that the petition in its entirety may be appropriate for summary disposition, either because the Board does not have jurisdiction to consider the petition, the appeal is untimely, Petitioner lacks standing to file an appeal, or none of the issues raised in the petition were preserved for review, please file a response to that effect by no later than October 24, 2008. Please include relevant portions of the administrative record with your response.

File an original (signed in blue ink) and five copies of these materials with the Board (at the address shown below) by the date specified above, and send a copy to Petitioner, with a certificate of service showing the date and method of service. Petitioner shall have 10 days from the date of service of a response seeking summary disposition to file a reply with the Board.<sup>1</sup>

If the Board determines that summary disposition is appropriate, the Board will issue an order to that effect. If the Board determines that summary disposition is not appropriate, or that the issue of summary disposition should be reserved until after a response to the merits of the petition is filed, the Board will issue an order directing that a response to the merits of the petition be filed within 15 days of the Board's order.

Response not Seeking Summary Disposition. If you do not file a response seeking summary disposition, please file a response to the merits of the petition by not later than November 10, 2008. Please include with your response relevant portions of the administrative record, together with a certified index of the entire administrative record.
