Notice of Errata

On August 15th, 2025, EPA Region 4 (the Region) two (2) eFiling submissions – which were response briefs in the matter of Ocean Era, Inc. (Appeal Nos. 25-01 and 25-02). The Certificate of Service documents in both cases contained errors relating to the date of service and to the name of the document served on Petitioners. The Certificates of Service incorrectly referred to the served documents as a “Response to Petition for Review,” when the actual title of the served document was “EPA Region 4’s Combined Response to Petitions for Review and Request for Expedited Consideration.” Further, the Certificates of Service stated that the date of service was December 18, 2020. The actual date of Service was August 15, 2025, which is also the date that the Certificates of Service were electronically signed by the Region’s counsel. The Board notified the Region of these errors by email on September 19, 2025, and requested filing of a Notice of Errata or Notice of Corrected Certificate of Service, along with a Corrected Certificate of Service in order to have accurate documentation reflected in the docket of both appeals. This Notice of Errata corrects the record to reflect that the correct name of the documents served on Respondents on August 15, 2025 was EPA Region 4’s Combined Response to Petitions for Review and Request for Expedited Consideration, and the actual date of service of those documents on Petitioners was August 15, 2025.

Respectfully submitted.
