Subject: Issuance of Boise Permits

Good Afternoon,

This message is being sent to you because you commented on the City of Boise draft permits. These permits have been issued and will become effective on May 1, 2012. The link below will take you to a web page which contains Region 10 permits, just scroll down to find the newly issued permits as well as the EPA's response to each of your comments.

If you have any questions, please feel free to e-mail me or call me directly at 206-553-2108.

Thanks, Kathleen
