FINAL ORDER

On December 15, 2010, the U.S. Environmental Protection Agency's Office of Civil Enforcement, Waste and Chemical Enforcement Division (EPA), filed a complaint against Chemson Inc. (Chemson), alleging that Chemson had violated section 8(a) of the Toxic Substances Control Act, 15 U.S.C. § 2607(a), and proposing a civil penalty of \$260,872.

At 40 C.F.R. Part 22, under the Consolidated Rules of Practice that govern this administrative enforcement proceeding, a respondent may opt for a *quick resolution* of the proceeding at any time by paying the specific penalty proposed in the complaint. See § 22.18(a)(1).

On March 3, 2011, EPA informed the Environmental Appeals Board that it had received a copy of the instrument of payment for the full amount of the \$260,872 penalty from Chemson in resolution of the above-captioned matter.

In accordance with 40 C.F.R. § 22.18(a)(3), upon receipt of payment in full, the Environmental Appeals Board shall issue a final order. Therefore, the above-captioned case is hereby **RESOLVED** civilly for the violations and facts alleged in the complaint.
