NPDES Appeal Nos. 08-02, 08-03,
08-04, 08-05

NPDES Permit No. CA 0004009

**EPA Region IX's Motion for Extension
of Time To File Response to
Petitions for Review**

Petitions for Review of NPDES Permit No. CA 0004009 were filed by Caroline A. Rodely (NPDES 08-02) ("Petitioner Rodely"); Alan E. Rodely (NPDES 08-03), on behalf of the Downstreamers ("Downstreamers" or "Petitioner Downstreamers"); Michael A. Campos (NPDES 09-04), Attorney, Stoel Rives LLP, on behalf of Madera Irrigation District ("MID" or "Petitioner MID"); and Jo Anne Kipps (NPDES 08-05) ("Petitioner Kipps") (collectively, the "Petitions" or "Petitioners"). By letter to Nancy Marvel, dated January 8, 2008, the Environmental Appeals Board instructed the Environmental Protection Agency, Region 9 ("the Region"), that the Region's Response to the Petitions must be filed no later than February 22, 2008.

The Region hereby moves for an extension of one week to file its Response to the Petitions. Such additional time will facilitate coordination among offices within the Region and with EPA's Office of General Counsel. Petitioner Kipps has concurred in this Motion for Extension. The Region has not received responses to messages left with Petitioners Rodely,

Downstreamers and MID, and therefore has not ascertained whether any or all of them would also concur in this Motion.

Respectfully submitted,

Dated: February 20, 2008
