Re: Notice of Proposed Assessment of a Civil Penalty
In The Matter of: Standard Printed Circuit, Inc.
Docket No. CWA-02-2024-3304

Dear Mr. Hampston:

Enclosed is a copy of the Administrative Complaint and Notice of Proposed Assessment of a Civil Penalty, and an offer of settlement which the United States Environmental Protection Agency (“EPA”) issued to Standard Printed Circuit, Inc. (“Respondent”), pursuant to Section 309(g) of the Clean Water Act (“Act”), 33 U.S.C. § 1319(g). The EPA is issuing this Complaint to administratively assess a Class I Civil Penalty of \$10,000 against Standard Printed Circuit, Inc. for violations of the Act. The EPA is offering an opportunity for you to confer with us regarding the proposed assessment because the violations have occurred in New York.

Given the nature of the violations, the number of violators and the need for prompt resolution of this matter, an offer of settlement for reduced penalty was offered to Respondent. This offer is contingent upon receipt of no adverse public comments in this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dore LaPosta".
