RE: Administrative Order on Consent – Docket No. CWA-03-2024-0021DN

Dear Mr. Mayor:

Attached is the executed Administrative Order on Consent (“AOC”) concerning violations of the Clean Water Act (“CWA”), 33 U.S.C. § 1251 – 1389. The United States Environmental Protection Agency (“EPA”) is issuing this AOC to Lawrenceville Borough (“Lawrenceville”) under the authority of Section 309(a) of the Clean Water Act (“CWA” or “Act”), 33 U.S.C. § 1319(a), for alleged violations at Lawrenceville’s wastewater treatment plant facility at Cherry Street, Lawrenceville, Pennsylvania. The AOC requires Lawrenceville to submit certain documents to EPA and implement certain activities in order to meet the requirements of the NPDES General Permit for Discharges of Wastewater associated with its Permit PA0111929 (“WWTP Permit”), issued by Pennsylvania Department of Environmental protection (PADEP), which became effective on January 1, 2020, with an expiration date of December 31, 2024.

Within sixty (60) days of the Effective Date of the AOC, the Respondent shall provide to EPA for review a Corrective Action Plan (“CAP”), which meets the requirements set forth in this AOC. The CAP shall include, at a minimum, plans and a schedule for implementing the corrective actions to return the Facility to compliance with the CWA.

If you have any questions regarding the AOC, please contact Steve Maslowksi of the NPDES Enforcement Section at (215) 814-2371 or maslowksi.steven@epa.gov.

Sincerely,

Karen Melvin, Director
Enforcement and Compliance Assurance Division
United States Environmental Protection Agency,
Region 3

Enclosure
