**Subject:** Enbridge Energy, Limited Partnership Docket No.: RCRA-05-2024-0010  
**Date:** Friday, June 14, 2024 12:03:56 PM

---

I have reviewed the accompanying CAFO and have determined that the substantive provisions are consistent with the ORC-approved model and that the penalty is consistent with the RCRA Data Mining SOP and the RCRA Penalty Policy. Accordingly, the CAFO for this case meets the conditions necessary for the Regional Counsel's advance concurrence provided previously by memorandum.
