Paul:

We are disappointed that it has taken this long for Cutting Edge to find new counsel, and hope that this does not demonstrate a lack of seriousness on your client's part.

In the interest of providing an opportunity for the parties to engage in meaningful settlement negotiations, however, Region 5 does not intend to oppose this motion.

Andrew and Lousie:

Cutting Edge has finally been able to identify new counsel. Their first option fell through and new counsel was unable to meet until today, which is the deadline to file an answer. Therefore, I am seeking an additional two week extension for new counsel to get on board and file their answer. Do you have any objection? I will be filing the motion shortly and will indicate that I have reached out for your position. Please advise at your earliest convenience your position.

Thank you.
