Re: **Letter of Remittance**  
*In the Matter of: Lehigh and Northampton Transportation Authority*  
Docket No. RCRA-03-2008-0047

Dear Mr. Greco:

On June 24, 2008, the Regional Judicial Officer issued a Final Order ratifying the Consent Agreement entered into by the Director of the Land and Chemicals Division of the U.S. Environmental Protection Agency - Region III ("EPA"), and you. That agreement included conditions requiring implementation of a Hybrid Vehicle Purchase SEP Project as a condition of settlement of the above-referenced matter, and as part of the settlement, you agreed to pay a penalty of \$5,583.00 and to complete the implementation of the Hybrid Vehicle Purchase SEP Project up to a maximum cost of \$105,000.00. In addition, you agreed to provide reports, documentation, and a certification to demonstrate the implementation of those tasks.

EPA has determined that you have paid the \$5,583.00 penalty and satisfactorily completed the Hybrid Vehicle Purchase SEP Project set forth in the Consent Agreement, thereby satisfying your obligations to pay the assessed penalty and to perform the Hybrid Vehicle Purchase SEP Project pursuant to the Consent Agreement and Final Order in this matter. Therefore, in accordance with its agreement as expressed in the Consent Agreement, EPA hereby issues this Letter of Remittance.

Sincerely,

Renée Sarajian  
Regional Judicial Officer
