In consideration of Respondent's size of business, its full compliance history and previous penalties assessed, its good faith effort to comply, the duration and seriousness of the violation, the economic impact of the penalty, economic benefit, and other factors as justice may require, and upon consideration of the entire record, the parties enter into this ESA in order to settle the violations described above for the total penalty amount of **\$1,400.00**.

This settlement is subject to the following terms and conditions:

If the signed original ESA with an attached copy of the check is not returned to the EPA Region IX office at the above address in correct form by the Respondent within 30 days of the date of Respondent's receipt of the proposed ESA, the ESA is withdrawn, without prejudice to EPA's ability to file an enforcement action for the violations identified herein.
