**COMPLAINT AND CONSENT AGREEMENT
(SIMULTANEOUS AND COMBINED)**

DOCKET NO. : TSCA-08-2011-0002

COMPLAINT

GENERAL ALLEGATIONS

1. This civil administrative enforcement action is authorized by Congress in the Residential Lead-Based Paint Hazard Reduction Act ("Residential Lead Hazard Act") and the Toxic Substances Control Act ("TSCA"). 42 U.S.C. § 4851 *et seq.*, and 15 U.S.C. § 2601 *et seq.* EPA regulations authorized by the statutes are set out in part 745, subpart F of title 40 of the Code of Federal Regulations (C.F.R.) and, as set out in 42 U.S.C. § 4852d (b)(5), violations of the regulations constitute violations of section 16 of TSCA. This proceeding is subject to EPA's "Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation or Suspension of Permits, ("Rules of Practice"), 40 C.F.R. part 22, and this COMPLAINT AND CONSENT AGREEMENT ("simultaneous combined action") is authorized by the rules. 40 C.F.R. § 22.13(b). The undersigned EPA officials have been properly delegated the authority to issue this action. These general allegations apply to the violation below.

2. Respondent is the Coldwell Banker Commercial, ("Respondent"). Respondent is, and at all times relevant to this simultaneous combined action has been, the owner, as that term is defined in 40 C.F.R. § 745.103, of the North Aspen Apartment Complex property located at 1722 West 400 North, Salt Lake City, Utah which is "residential real property" within the meaning of section 1004(24) of the Residential Lead Hazard Act, 42 U.S.C. § 4851b(24), and was constructed before 1978.

3. EPA regulations require, among other things, that an owner of housing constructed before 1978 shall, prior to obligating a lessee under a contract to lease or rent the housing, provide or include in or attach to the leasing contract, (1) an EPA-approved lead hazard information pamphlet, (2) a lead warning statement, (3) a statement disclosing the presence of any known lead-based paint and/or lead-based paint hazards (or lack of knowledge of such presence), (4) a list of any records or reports available to the owner related to lead-based paint or hazards (or a statement that no such records exist), (5) a statement by the renter/lessee that he/she received the above information, and (6) signatures (dated) by both parties certifying the accuracy of their statements. 40 C.F.R. §§ 745.107(a)(1) and 745.113(b).

VIOLATION

4. As an owner or manager of residential real property, Respondent failed to include a statement by the renters/lessees that the renters/lessees received the EPA-approved lead hazard information pamphlet prior to entering into lease contracts in violation 40 C.F.R. § 745.113(b)(4), 42 U.S.C. § 4852d(b)(5), 15 U.S.C. § 2689. This violation was discovered by EPA as a result of Respondent's response to an information request letter sent to Respondent on March 17, 2011.

CONSENT AGREEMENT

5. Respondent admits the jurisdictional allegations and neither admits nor denies the factual allegations stated above.

6. Respondent waives its right to a hearing before any tribunal, to contest any issue of law or fact set forth in this Complaint and Consent Agreement.

7. This Complaint and Consent Agreement, upon incorporation into a final order, applies to and is binding upon EPA and upon Respondent and Respondent's heirs, successors and assigns. Any change in ownership or corporate status of Respondent, including, but not limited to, any transfer of assets or real or personal property, shall not alter Respondent's responsibilities under this agreement. This Complaint and Consent Agreement contains all terms of the settlement agreed to by the parties.

8. Section 16 of TSCA, 15 U.S.C. § 2615, and the regulations promulgated under section 6 of TSCA, 15 U.S.C. § 2605, as amended, authorize the assessment of a civil penalty of up to \$37,500 per day of violation for each violation of TSCA. In arriving at the amount of the penalty, EPA, as required by section 16(a)(2)(B) of TSCA, 15 U.S.C. 2615(a)(2)(b), has taken into consideration, to the extent known at this time, the nature, circumstances, extent, and gravity of the violation, and, with respect to respondent, the ability to pay, effect on ability to continue to do business, any history of prior violations, degree of culpability, and other matters as justice may require. Respondent has demonstrated that it is in compliance with applicable provisions of the Residential Lead Hazard Act. Respondent consents and agrees to pay a civil penalty in the amount of **\$525 (five hundred twenty five dollars)**, in the manner described below in the following subparagraphs:

- a. Payment is due within 30 calendar days from the date written on a final order, issued by the Regional Judicial Officer, which adopts this Complaint and Consent Agreement. be assessed on any unpaid principal amount if payment is not received within 90 days of the due date (that is, the 121st day from the date the final order is signed). 9. Nothing in this Complaint and Consent Agreement shall relieve Respondent of the duty to comply with TSCA and its implementing regulations.

10. Failure by Respondent to comply with any term of this Complaint and Consent Agreement shall constitute a breach of the consent agreement and may result in referral of the matter to the Department of Justice for enforcement of this agreement and such other relief as may be appropriate.

11. Nothing in this Complaint and Consent Agreement shall be construed as a waiver by the EPA or any other federal entity of its authority to seek costs or any appropriate penalty associated with any collection action instituted as a result of Respondent's failure to perform pursuant to the terms of this consent Agreement.

12. The undersigned representative of Respondent certifies that he/she is fully authorized to enter into the terms and conditions of this Complaint and Consent Agreement and to bind the party he/she represents to the terms and conditions of this Complaint and Consent Agreement.

14. Each party shall bear its own costs and attorney fees in connection with this matter.
