16. Respondent’s facility identified in Paragraph 15 is a “facility” as that term is defined by Section 329(4) of EPCRA, 42 U.S.C. § 11049(4), and 40 C.F.R. § 372.3.
17. At the time of the violation(s), Respondent’s facility had ten (10) or more “full-time employees” as that term is defined by 40 C.F.R. § 372.3.

Respondent's adherence to this request will ensure proper credit is given when penalties are received by EPA and acknowledged in the Region. Respondent agrees not to claim or attempt to claim a federal income tax deduction or credit covering all or any part of the civil penalty paid to the United States Treasurer.

28. If Respondent fails to submit the first payment within thirty (30) days of the effective date of this Order, Respondent may be subject to a civil action to collect the penalty in full, in

- an appropriate district court of the United States pursuant to Section 325(f) of EPCRA, 42 U.S.C. § 11045(f).
29. Pursuant to 31 U.S.C. § 3717 and 40 C.F.R. § 13.11, unless otherwise prohibited by law, EPA will assess interest and late payment penalties on outstanding debts owed to the United States and a charge to cover the costs of processing and handling a delinquent claim. Interest on the civil penalty assessed in this CAFO will begin to accrue thirty (30) days after the effective date of the CAFO and will be recovered by EPA on any amount of the civil penalty that is not paid by the respective due date. Interest will be assessed at the rate of the United States Treasury tax and loan rate in accordance with 40 C.F.R. § 13.11(a). Moreover, the costs of the Agency's administrative handling of overdue debts will be charged and assessed monthly throughout the period the debt is overdue. See 40 C.F.R. § 13.11(b).
30. EPA will also assess a \$15.00 administrative handling charge for administrative costs on unpaid penalties for the first thirty (30) day period after the payment is due and an additional \$15.00 for each subsequent thirty (30) day period that the penalty remains unpaid. In addition, a penalty charge of up to six percent (6%) per year will be assessed monthly on any portion of the debt which remains delinquent more than ninety (90) days. See 40 C.F.R. § 13.11(c). Should a penalty charge on the debt be required, it shall accrue from the first day payment is delinquent. See 31 C.F.R. § 901.9(d). Other penalties for failure to make a payment may also apply.
31. This Consent Agreement and Final Order shall not relieve Respondent of its obligation to comply with all applicable provisions of federal, state or local law, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state or

local permit.

32. This document is a “Final Order” as that term is defined in the “Enforcement Response Policy for Section 313 of the Emergency Planning and Community Right-to-Know Act (1986) and Section 6607 of the Pollution Prevention Act (1990),” dated August 10, 1992 (Amended: 1996, 1997, and 2001; and updated in accordance with the 2016 Civil Monetary Penalty Inflation Adjustment Rule on February 24, 2017) for the purpose of demonstrating a history of “prior such violations.”

B. RETENTION OF ENFORCEMENT RIGHTS

33. EPA does not waive any rights or remedies available to EPA for any violations by Respondent of Federal or State laws, regulations, or permitting conditions.
34. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of Section 313 of EPCRA, 42 U.S.C. § 11023, and 40 C.F.R. Part 372.
35. Nothing in this CAFO shall limit the power and authority of EPA or the United States to take, direct, or order all actions to protect public health, welfare, or the environment, or prevent, abate or minimize an actual or threatened release of hazardous substances, pollutants, contaminants, hazardous substances on, at, or from Respondent’s facility. Furthermore, nothing in this CAFO shall be construed to prevent or limit EPA’s civil and criminal authorities, or that of Federal, State, or local agencies or departments to obtain penalties or injunctive relief under Federal, State, or local laws or regulations.

C. COSTS

36. Each party shall bear its own costs and attorney’s fees. Furthermore, Respondent specifically waives its right to seek reimbursement of its costs and attorney’s fees under 5 U.S.C. § 504 and 40 C.F.R. Part 17.
