Respondent

Consent Agreement  
and  
Final Order

Docket No. SDWA-04-2010-1004(b)

**CONSENT AGREEMENT**

1. Pursuant to the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits (Consolidated Rules of Practice or Part 22), specifically Subpart I, published at 64 Fed. Reg. 40138 (July 23, 1999) and the delegated authority of the Administrator of the U.S. Environmental Protection Agency (EPA or Complainant) under Part C of the Safe Drinking Water Act (SDWA or the Act), 42 U.S.C. § 1421, et seq., the EPA, as Complainant, hereby enters into the following Consent Agreement and Final Order (CA/FO) with Anna L. Cundiff (Respondent).

2. Section 1450 of the SDWA authorizes the Administrator to prescribe such regulations as are necessary or appropriate to carry out her functions under the SDWA. These regulations are found at 40 CFR Parts 124, 144, 146, 147, and 148, and set forth requirements for the Underground Injection Control (UIC) program promulgated under Part C of the SDWA, 42 U.S.C. § 300h, et seq.

3. Injection well owners and operators are required to comply with the UIC program requirements. The UIC program for the Commonwealth of Kentucky, including all Indian lands, is administered by EPA. See 40 CFR § 147.901(a).

**ALLEGATIONS**

The parties hereby stipulate and find as follows:

4. Respondent is a "person" as that term is defined in Section 1401(12) of the SDWA, 42 U.S.C. Section 300f(12) and 40 CFR § 144.3.

5. Respondent owns and/or operates the following injection well (subject well):

<u>EPA ID No.</u>	<u>EPA Permit No.</u>	<u>Lease &amp; Well No.</u>	<u>Status</u>
KYS1770208	KYI0840	Seth Cundiff #1	Active

6. The subject well, located in Muhlenberg County, Kentucky, constitutes a "facility" as that term is defined in 40 CFR § 144.3.

7. The subject well is authorized under UIC Permit No. KYI0840, which was issued and became effective on March 12, 2007.

8. The SDWA, 42 U.S.C. §300f, et seq., and 40 CFR §144.51(a) require that the permittee comply with all conditions of the permit. Noncompliance constitutes a violation of the SDWA and is grounds for an enforcement action.

9. Part I, Section D, Paragraph 2 of the subject permit requires annual submittal of monthly injection monitoring reports.

10. No annual monitoring reports were submitted for the subject well until April 10, 2009.

11. Therefore, Respondent violated 40 CFR § 144.51(a), its permit, and the SDWA for failure to timely submit annual monitoring reports for the subject well.

12. Part I, Section C, Paragraph 3, of the subject permit requires an annual injection fluid analysis. Part I, Section D, Paragraph 2, of the subject permit requires the submittal of annual injection fluid analysis reports to EPA.

13. No annual injection fluid analysis reports were submitted for the subject well for the years 2007 and 2008.

14. Therefore, Respondent violated 40 CFR § 144.51(a), its permit, and the SDWA for failure to submit annual injection fluid analysis reports for the subject well for the years 2007 and 2008.

15. On April 10, 2009, EPA received Respondent's annual summary monitoring reports for the subject well for June 2007 through May 2008, and June 2008 through April 2009.

16. On June 10, 2009, EPA issued a Notice of Violation and Notice of Opportunity to Show Cause for the subject well, alleging Respondent to be in violation of its permit, the SDWA and its implementing regulations.

### **STIPULATIONS AND FINDINGS**

17. Respondent admits the jurisdictional allegations set forth above and neither admits nor denies the facts and findings of violations as alleged. Respondent waives any right to a hearing and waives any right to appeal a final order in this matter, and consents to the issuance of a final order without further adjudication.

18. Complainant and Respondent have conferred for the purpose of settlement, pursuant to 40 CFR § 22.18, and desire to resolve this matter and settle the violations described herein without resort to a formal hearing. Therefore, without the taking of any evidence or testimony, the making of an argument, or the adjudication of any issue in this matter, and in accordance with 40 CFR § 22.13(b), this CA/FO will simultaneously commence and conclude this matter.

**PENALTY AND INJUNCTIVE RELIEF**

19. Respondent shall pay a civil penalty of one thousand five hundred dollars (\$1,500) in accordance with the terms set forth below:

- a. Respondent shall pay the penalty in three (3) installments of five hundred dollars (\$500) each.

Atlanta, Georgia 30303-8960

22. Pursuant to Section 1423(c)(7) of the Act, 42 U.S.C. § 300h-2(c)(7), failure by Respondent to pay the penalty assessed by this CA/FO in full by its due date may subject Respondent to a civil action in an appropriate district court to recover the amount assessed (plus costs, attorneys' fees, and interest at currently prevailing rates from the date the Order is effective). In such an action, the validity, amount and appropriateness of the penalty shall not be subject to review.

23. Pursuant to 40 CFR Part 13 and 31 U.S.C. § 3717, et seq., if EPA does not receive payment of the penalty assessed by this CA/FO in full by its due date, interest shall accrue on the unpaid balance from the due date through date of payment at an annual rate equal to the rate of the current value of funds to the United States Treasury as prescribed and published by the Secretary of the Treasury. If all or part of the payment is overdue, EPA will assess a late-payment handling charge of fifteen dollars (\$15) for each subsequent thirty (30) day period. #### **GENERAL PROVISIONS**

25. The provisions of this CA/FO shall be binding upon Respondent, and its officers, directors, agents, servants, employees, and successors or assigns. Notice of this CA/FO shall be given to any successors in interest prior to transfer of the ownership or operational control of the facility.

26. This CA/FO does not constitute a waiver, suspension, or modification of the requirements of Part C of the SDWA, 42 U.S.C. § 1421, et seq., or any regulations promulgated thereunder. This CA/FO is not, and shall not be interpreted to be, a permit for the injection of fluids under Section 1421 of the SDWA, 42 U.S.C. § 300h, nor shall it in any way relieve Respondent of any obligation imposed by any permit issued thereunder, or of Respondent's obligation to comply with any provision of the SDWA, its

implementing regulations, or any other local, state or federal law. Nothing contained herein shall be construed to prevent or limit EPA's right to obtain penalties or injunctive relief under Section 1423 of the SDWA or other federal statutes and regulations. Payment of the penalty agreed to in this CA/FO shall not in any way affect the right of the Agency or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law. Full payment of the penalty agreed to in this CA/FO resolves only Respondent's liability for federal civil penalties for the violations and facts stipulated herein.

27. For the purposes of state and federal income taxation, Respondent shall not be entitled and agrees not to attempt to claim a deduction for any penalty payment made pursuant to this CA/FO. Any attempt to deduct any such penalty shall constitute a violation of this CA/FO.

28. If any event beyond the control of Respondent, its/their successors or assigns, occurs which causes or may cause a delay in the achievement of any requirement of this CA/FO, Respondent shall notify EPA orally within four (4) days of the time it has knowledge of the occurrence of such event. A written report of said event shall be submitted by certified mail to EPA within ten (10) days of the date Respondent received knowledge of the event. Said report shall describe the violation or failure, its cause and all attendant circumstances, and the measures taken or to be taken to prevent or minimize any such violation or failure and to comply with the pertinent requirements of this CA/FO as soon as possible, and the timetable by which those measures are proposed to be implemented.

29. The burden of proving that any violation or failure is caused by circumstances beyond the control of and without fault of Respondent and the length of the delay attributable to such circumstances shall rest with Respondent. Financial, economic, or business conditions or changes in same, unanticipated or increased costs or expenses, or problems relating to reasonably foreseeable technological infeasibility associated with the implementation of actions called for by this CA/FO, shall not relieve Respondent of any obligation imposed under the terms of this CA/FO, nor from payment of any penalty set forth in this CA/FO. EPA will notify Respondent of its determination that certain circumstances are considered to be beyond Respondent's control and the extension of time, if any, for completion of the affected requirements. Respondent shall waive this right to any extension for failure to provide EPA with written notice as provided herein or for failure to provide adequate proof of the cause of the delay.

30. The parties acknowledge and agree that final approval by EPA of this CA/FO is subject to 40 CFR § 22.45(c)(4) which sets forth requirements under which a person not a party to this proceeding may petition to set aside a consent agreement and final order on the basis that material evidence was not considered.

31. Each party shall bear its own costs and attorneys fees in connection with this action.

32. This CA/FO shall become effective upon the date that it is signed by the Regional Judicial Officer.

33. The undersigned representative of Respondent certifies that he or she is fully authorized to enter into the terms and conditions of this Consent Agreement and to execute and legally bind the Party he or she represents to this Agreement.
