EXPEDITED SETTLEMENT AGREEMENT

AUTHORITY

1. This Expedited Settlement Agreement (the Agreement) is being entered into by the United States Environmental Protection Agency, Region 8 (EPA), by its duly delegated officials, and by Mountain States Construction LLC (Respondent) for the purpose of simultaneously commencing and concluding this matter, as authorized by 40 C.F.R. § 22.13(b), and pursuant to 40 C.F.R. § 22.18(b)(2) and (3).
2. The EPA has jurisdiction over this matter pursuant to sections 16 and 409 of the Toxic Substances Control Act (TSCA), 15 U.S.C. §§ 2615, 2689, and the regulations promulgated under TSCA Subchapter IV, as set forth at 40 C.F.R. Part 745.

RESPONDENT

3. Respondent is a "person" for purposes of sections 16 and 409 of TSCA, 15 U.S.C. §§ 2615, 2689.
4. Respondent is a "firm" as that term is defined in 40 C.F.R. § 745.83.

ALLEGED VIOLATIONS

5. On September 28, 2015, an authorized representative of the EPA conducted a compliance inspection at Respondent's jobsite at 2505 Elm Street, Denver, Colorado 80207 (Jobsite) to determine compliance with the Renovation, Repair, and Painting (RRP) Rule, 40 C.F.R. Part 745, Subpart E.
6. The Jobsite is a residential property constructed prior to 1978 and is "target housing" as that term is defined in section 401 of TSCA, 15 U.S.C. § 2681.
7. Respondent offered to perform work on the Jobsite including a second story addition, basement finish, first floor remodel, front porch expansion, and expansion to an attached garage.
8. Respondent offered to perform a "renovation," as that term is defined at 40 C.F.R. § 745.83.

9. No firm may perform, offer, or claim to perform renovations in target housing or child-occupied facilities without certification from the EPA under 40 C.F.R. § 745.89(a), pursuant to 40 C.F.R. § 745.81(a)(2)(ii).
10. Respondent failed to obtain initial certification from the EPA prior to offering to perform a renovation on target housing, as required by 40 C.F.R. § 745.89(a) and in violation of 40 C.F.R. § 745.81(a)(2)(ii).

SETTLEMENT

11. The EPA and Respondent agree that settlement of this matter is in the public interest, and the EPA and Respondent agree that execution of this Agreement and issuance of a Final Order without further litigation and without adjudication of any issue of fact or law, is the most appropriate means of resolving this matter.
12. Pursuant to section 16 of TSCA, 15 U.S.C. § 2615, and based in part on the size of Respondent's business, the nature, circumstances, extent and gravity of the violations alleged, and other relevant factors, the EPA agrees that an appropriate civil penalty to settle this matter is two-hundred dollars (\$200).
13. By signing this Agreement, Respondent certifies that: (1) the alleged violations listed in the Agreement have been corrected, and Respondent has submitted true and accurate documentation of such correction; (2) Respondent has provided payment of the civil penalty; and (3) Respondent releases that penalty to the EPA upon incorporation of the Agreement into a Final Order.

Within thirty (30) days of receipt of this Agreement, Respondent must send a cashier's check or certified check (payable to the "Treasurer, United States of America") in the amount of two-hundred dollars (\$200) in payment of the full penalty amount to the following address:

14. Respondent agrees that the penalty specified in this Agreement and any interest paid shall not be deductible for purposes of local, state, or federal taxes.

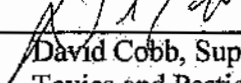

15. This settlement is subject to the following terms and conditions with respect to the violations alleged:
 - a. Respondent, by signing below, admits the jurisdictional allegations of the Agreement, neither admits nor denies the specific factual allegations contained in the Agreement and consents to the assessment of the penalty as stated above.
 - b. Each party to this action shall bear its own costs and attorney fees, if any.
 - c. Payment by Respondent shall constitute a waiver of any and all available rights to judicial or administrative review or other remedies that the Respondent may have, with respect to any issue of fact or law or any terms and conditions set forth in this Agreement, including any right to appeal the final order.
16. This Agreement, upon incorporation into a Final Order by the Regional Judicial Officer and full satisfaction by the parties, shall only resolve Respondent's liability for Federal civil penalties for the violations and facts alleged in this Agreement.

 - b. Claims based on criminal liability; and,
 - c. Claims based on any other violations of TSCA or federal or state law.
18. If the signed original Agreement with an attached copy of the check is not returned to the EPA at the above address in correct form by Respondent within thirty (30) days of the date of Respondent's receipt of this Agreement, the proposed Agreement is withdrawn without prejudice to the EPA's ability to file an enforcement action for the violations alleged in this Agreement.
19. This Agreement, upon incorporation into a final order, applies to and is binding upon the EPA and upon Respondent and Respondent's successors or assigns. Any change in ownership or corporate status of Respondent, including, but not limited to, any transfer of assets or real or personal property, shall not alter Respondent's responsibilities under this Agreement. This Agreement contains all terms of the settlement agreed to by the Parties.
20. The undersigned representative of Respondent certifies that he/she is fully authorized to enter into the terms and conditions of the Agreement and to bind Respondent to the terms and conditions of this Agreement.
21. Nothing in this Agreement shall relieve Respondent of the duty to comply with TSCA and its implementing regulations.

22. The Parties agree to submit this Agreement to the Regional Judicial Officer with a request that it be incorporated into a final order.
