IV. FINDINGS OF FACT

40. Respondent is, and was at all times relevant to this CAFO, “an agent” to sellers/lessors that entered into contracts with buyers/lessees, as those terms are defined under 40 C.F.R. § 745.103, for the purpose of selling and leasing “residential dwellings” that are “target housing” as those terms are defined at 40 C.F.R. § 745.103.
41. On July 27, 2021, the EPA performed an inspection at the Respondent’s office and thereafter received Respondent’s records that were reviewed to evaluate the Respondent’s compliance with the requirements of 40 C.F.R. Part 745, Subpart F.
42. Based on review of the records received, the EPA determined that the Respondent had entered into contracts to sell the residential dwellings that are target housing at the following locations on the specified dates listed below:
 - a. 7091 Raleigh Street, Hollywood Florida 33024, built 1963; and
 - b. 720 E Coco Plum Circle, Plantation, Florida 33324, built 1974.
43. Based on a review of the information and records received, the EPA determined that the Respondent had entered into contracts to lease the residential dwellings that are target housing at the following locations, on January 1, 2017:
 - a. 7612 NW 69th Avenue, Tamarac, Florida 33321, built 1972;
 - b. 150 NE 15th Avenue, unit 158, Fort Lauderdale Florida 33301, built 1971; and
 - c. 2125 Liberty Street, Hollywood, Florida 33020, built 1969.
44. Based on the records received and reviewed, and additional information provided by the Respondent during the subsequent show cause meeting with the Respondent on November 4, 2021, the EPA determined that prior to the purchasers being obligated under the contracts listed in paragraph 42, the Respondent did not:

- a. Permit the purchasers a 10-day period, or a written, mutually agreed upon different time period, to conduct a risk assessment or inspection for the presence of lead-based paint and/or lead-based paint hazards, or received written notice by the purchaser that they have waived the opportunity to conduct the risk assessment or inspection as required by 40 C.F.R. § 745.110(a);
 - b. Include in the contracts to sell target housing or as an attachment to the contracts, a statement by the seller disclosing the presence of known lead-based paint and/or lead-based paint hazards in the target housing being sold or indicating no knowledge of the presence of lead-based paint and/or lead-based paint hazards as required by 40 C.F.R. § 745.113(a)(2);
 - c. Include in the contracts to sell target housing or as an attachment to the contracts a list of any records or reports available to the seller pertaining to lead-based paint and/or lead-based paint hazards in the housing that have been provided to the purchaser or that no such records or reports are available as required by 40 C.F.R. § 745.113(a)(3); and
 - d. Include in the contracts to sell target housing or as an attachment to the contracts, a statement by the one or more agents involved in the transaction to sell target housing that the agent(s) has informed the seller of the seller's obligations, and that the agent(s) is aware of his duty to ensure compliance, as required by 40 C.F.R. § 745.113(a)(6)(i) and 40 C.F.R. § 745.113(a)(6)(ii).
45. Based on the records received and EPA and the subsequent show cause meeting with the Respondent, the EPA determined that prior to entering the leases listed in paragraph 43, the Respondent did not:
- a. Include in the contracts for lease or as an attachment to the contracts a statement by the Lessee affirming receipt of the information required by 40 C.F.R. § 745.113(b)(2) and (b)(3), and the lead hazard pamphlet as required by 40 C.F.R. § 745.113(b)(4), and
 - b. Include in the contracts for lease or as an attachment to the contracts, a statement by the one or more Agents involved in the transaction to lease target housing that the Agent(s) has informed the Lessor of the Lessor's obligations, and that the Agent(s) is aware of his duty to ensure compliance as required by 40 C.F.R. § 745.113(b)(5).

V. ALLEGED VIOLATIONS

- a. Permit the purchasers a 10-day period, or a written, mutually agreed upon different time period, to conduct a risk assessment or inspection for the presence of lead-based paint and/or lead-based paint hazards, or received written notice by the purchaser that they have waived the opportunity to conduct the risk assessment or inspection as required by 40 C.F.R. § 745.110(a);
 - b. Include in the contract to sell target housing or as an attachment to the contracts a statement by the seller disclosing the presence of known lead-based paint and/or lead-based paint

hazards in the target housing being sold or indicating no knowledge of the presence of lead-based paint and/or lead-based paint hazards in violation of 40 C.F.R. § 745.113(a)(2);

- c. Include in the contract to sell target housing or as an attachment to the contracts a list of any records or reports available to the seller pertaining to lead-based paint and/or lead-based paint hazards in the target housing that have been provided to the purchasers or that no such records or reports are available in violation of 40 C.F.R. § 745.113(a)(3); and
- d. Include in the contracts to sell target housing or as an attachment to the contracts a statement by the one or more agents involved in the transaction to sell target housing that the agent(s) has informed the seller of the seller's obligations, and that the agent(s) is aware of his duty to ensure compliance, as required by 40 C.F.R. § 745.113(a)(6)(i) and 40 C.F.R. § 745.113(a)(6)(ii).

47. Based on the Findings of Fact set forth in Section IV above, the EPA has determined that prior to offering and entering into contracts for lease of residential dwellings of target housing identified in paragraph 43 above, Respondent failed to:
- a. Include in the contracts for lease or as an attachment to the contracts a statement by the Lessee affirming receipt of the information required by 40 C.F.R. § 745.113(b)(2) and (b)(3), and the lead hazard pamphlet as required by 40 C.F.R. § 745.113(b)(4); and
 - b. Include in the contracts for lease or as an attachment to the contracts, a statement by the one or more Agents involved in the transaction to lease target housing that the Agent(s) has informed the Lessor of the Lessor's obligations, and that the Agent(s) is aware of his duty to ensure compliance as required by 40 C.F.R. § 745.113(b)(5)

CAFO. If the civil penalty is paid within 30 days of the Effective Date of this CAFO, Interest is waived. However, if the civil penalty is not paid in full within 30 days of the Effective Date of this CAFO, Interest will continue to accrue on any unpaid portion until the unpaid portion of the civil penalty and accrued Interest are paid. Interest will be assessed at the rate of the United States Treasury tax and loan rate, as established by the Secretary of the Treasury, in accordance with 31 U.S.C. § 3717(a)(1), 31 C.F.R. § 901.9(b)(2), and 40 C.F.R. § 13.11(a).

- b. Non-Payment Penalty. On any portion of a civil penalty more than ninety (90) calendar days past due, Respondent must pay a non-payment penalty of not more than six percent (6%) per annum, which will accrue from the date the penalty payment became due and is not paid, as provided in 31 U.S.C. § 3717(e)(2) and 31 C.F.R. § 901.9(d). This non-payment penalty is in addition to charges which accrue or may accrue under subparagraphs (a) and (c) and will be assessed monthly. 40 C.F.R. § 13.11(c).
- c. Monthly Handling Charge. Respondent must pay a late payment handling charge to cover the administrative costs of processing and handling the delinquent claim, based on either actual or average cost incurred. 31 C.F.R. § 901.9(c), and 40 C.F.R. § 13.11(b). Administrative costs will be assessed monthly throughout the period the debt is overdue except as provided by 40 C.F.R. § 13.12.

57. In addition to what is stated in the prior Paragraph, if Respondent fails to timely pay any portion of the penalty assessed under this CAFO, the EPA may:

- a. refer the debt to a credit reporting agency or a collection agency, 40 C.F.R. §§ 13.13 and 13.14;
- b. collect the debt by administrative offset (i.e., the withholding of money payable by the United States to, or held by the United States for, a person to satisfy the debt the person owes the Government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds, 40 C.F.R. Part 13, Subparts C and H;
- c. suspend or revoke Respondent's licenses or other privileges, or suspend or disqualify Respondent from doing business with the EPA or engaging in programs the EPA sponsors or funds, 40 C.F.R. § 13.17; and/or
- d. refer the debt to the Department of Justice for litigation as provided in 40 C.F.R. § 13.33.

58. Penalties paid pursuant to this CAFO shall not be deductible for purposes of federal taxes.

VIII. EFFECT OF THE CAFO

59. In accordance with 40 C.F.R. § 22.18(c), Respondent's full compliance with this CAFO shall only resolve Respondent's liability for federal civil penalties for the violations and facts specifically alleged above.

60. Full payment of the civil penalty, as provided in Section VII (Terms of Payment), shall not in any case affect the right of the EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law. 40 C.F.R. § 22.18(c)

61. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of the Act and other federal, state, or local laws or statutes, nor shall it restrict the EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit, except as expressly provided herein.
62. Nothing herein shall be construed to limit the power of the EPA to undertake any action against Respondent or any person in response to conditions that may present an imminent and substantial endangerment as provided under the Act.
63. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both Parties, and approval of the Regional Judicial Officer.
64. The provisions of this CAFO shall apply to and be binding upon Respondent and its officers, directors, employees, agents, trustees, servants, authorized representatives, successors, and assigns.
65. Any change in the legal status of the Respondent, or change in ownership, partnership, corporate or legal status relating to the company, will not in any way alter Respondent's obligations and responsibilities under this CAFO.
66. By signing this Consent Agreement, Respondent acknowledges that this CAFO will be available to the public and agrees that this CAFO does not contain any confidential business information or personally identifiable information.
67. By signing this Consent Agreement, the Complainant and the undersigned representative of Respondent each certify that he or she is fully authorized to execute and enter into the terms and conditions of this CAFO and has the legal capacity to bind the party he or she represents to this CAFO.
68. By signing this Consent Agreement, both Parties agree that each party's obligations under this CAFO constitute sufficient consideration for the other party's obligations.
69. By signing this Consent Agreement, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and continues to be, true, accurate, and complete for each such submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.
70. It is the intent of the parties that the provisions of this CAFO are severable. If any provision or authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of such provisions to other parties or circumstances and the remainder of the CAFO shall remain in force and shall not be affected thereby.
71. The EPA also reserves the right to revoke this CAFO and settlement penalty if and to the extent that the EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to the EPA. If such false or inaccurate material was provided, the EPA reserves the right to assess and collect any and all civil penalties for any violation described herein. The EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.

72. Unless specifically stated otherwise in this CAFO, each party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding.

IX. EFFECTIVE DATE

73. This CAFO shall become effective after execution of the Final Order by the Regional Judicial Officer, on the date of filing with the Hearing Clerk.
