CONSENT AGREEMENT AND FINAL ORDER

The U.S. Environmental Protection Agency (EPA), Region 7 and Paul E. Records (Respondent) have agreed to a settlement of this action before filing of a complaint, and thus this action is simultaneously commenced and concluded pursuant to Rules 22.13(b) and 22.18(b)(2) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits (Consolidated Rules), 40 C.F.R. §§ 22.13(b) and 22.18(b)(2).

FACTUAL ALLEGATIONS

Jurisdiction

1. This proceeding is an administrative action for the assessment of civil penalties instituted pursuant to Section 16(a) of the Toxic Substances Control Act (TSCA), 15 U.S.C. § 2615(a).

2. This Consent Agreement and Final Order serves as notice that EPA has reason to believe that Respondent has violated Section 409 of TSCA, 15 U.S.C. § 2689, by failing to comply with the regulatory requirements of 40 C.F.R. Part 745, Subpart F, *Disclosure of Known*

Lead-Based Paint and/or Lead-Based Paint Hazards Upon Sale or Lease of Residential Property, promulgated pursuant to Section 1018 of the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. § 4852d.

Parties

3. The Complainant, by delegation from the Administrator of the EPA, is the Chief, Toxics and Pesticides Branch, EPA, Region 7.
4. The Respondent is Paul E. Records, an individual conducting business in the state of Kansas.

Statutory and Regulatory Background

5. Congress passed the Residential Lead-Based Paint Hazard Reduction Act of 1992 (the Act), 42 U.S.C. §§ 4851 to 4856, to address the need to control exposure to lead-based paint hazards. The Act amended TSCA by adding Sections 401 to 412, 15 U.S.C. §§ 2681 to 2692. Section 1018 of the Act required EPA and the Department of Housing and Urban Development (HUD) to jointly issue regulations requiring the disclosure of known lead-based paint and/or lead-based paint hazards by persons selling or leasing housing constructed before the phaseout of residential lead-based paint use in 1978. The regulations, issued March 6, 1996, and codified at 40 C.F.R. Part 745, Subpart F, require that sellers and lessors of most residential housing built before 1978: a) disclose the presence of known lead-based paint and/or lead-based paint hazards in the target housing; b) provide purchasers and lessees with any available records or reports pertaining to the presence of lead-based paint and/or lead-based paint hazards; c) provide purchasers and lessees with a federally approved lead hazard information pamphlet; d) provide purchasers with a 10-day opportunity to conduct a risk assessment or inspection for the presence

of lead-based paint and/or lead-based paint hazards before the purchaser is obligated under any purchase contract; and e) include certain disclosure and acknowledgment language in the sales or leasing contract. The failure or refusal to comply with the regulations is a violation of Section 1018 of the Act and Section 409 of TSCA.

Alleged Violations

6. The Complainant hereby states and alleges that Respondent has violated TSCA and federal regulations promulgated thereunder, as follows:

Count 1

7. Respondent is, and at all times referred to herein was, a "person" within the meaning of TSCA.

8. Respondent is the "lessor", as that term is defined by 40 C.F.R. § 745.103, of the property located at 4250 East Bayley, Wichita, Kansas 67218.

9. The properties referenced above are "target housing" as that term is defined by 40 C.F.R. § 745.103.

10. Information collected shows that Respondent entered into a contract to lease 4250 East Bayley, Wichita, Kansas 67218 on or about September 5, 2006.

11. Information collected shows that Respondent failed to provide the lessee with an EPA-approved lead hazard information pamphlet before the lessee was obligated under a contract to lease target housing.

12. Respondent's failure to provide an EPA-approved lead hazard information pamphlet is a violation of 40 C.F.R. § 745.107(a)(1) and, in accordance with 40 C.F.R. § 745.118(e), a violation of Section 1018 of the Act, 42 U.S.C. § 4852d, and Section 409 of TSCA, 15 U.S.C.

§ 2689, and thus Respondent is subject to civil penalties under Section 16 of TSCA, 15 U.S.C. § 2615.

CONSENT AGREEMENT

13. For purposes of this proceeding, Respondent admits the jurisdictional allegations set forth above.

14. Respondent neither admits nor denies the factual allegations set forth above.

15. Respondent waives its right to a judicial or administrative hearing on any issue of fact or law set forth above and its right to appeal the Final Order accompanying this Consent Agreement.

Part 745, Subpart F. By the signing of this Consent Agreement, Respondent further certifies that it is aware of its legal obligation to provide tenants of its managed target housing properties with any and all information pertaining to lead-based paint and/or lead-based paint hazards in the subject properties where the tenants reside. Respondent also certifies that no target housing properties currently owned and/or managed by Respondent have outstanding lead-hazard abatement orders that have not been addressed to the satisfaction of the state or local health department or other reviewing entity, which issued the abatement order or notice of possible hazard.

18. Respondent consents to the issuance of the Final Order hereinafter recited and consents to the payment of a mitigated civil penalty as specified in the Final Order. Respondent understands that its failure to timely pay any portion of the mitigated civil penalty described in Paragraph 1 of the Final Order below, may result in the commencement of a civil action in Federal District Court to recover the full remaining balance, along with penalties, late payment handling charges, and accumulated interest. In such case, interest shall accrue thereon at the applicable statutory rate on the unpaid balance until such civil penalty and any accrued interest are paid in full. A late payment handling charge of \$15 will be imposed after thirty (30) days and an additional \$15 will be charged for each subsequent thirty (30) day period. Interest shall accrue thereon at the rate determined by the Secretary of the Treasury (currently four percent (4%) per annum for the period January 1, 2007 through December 31, 2007) on the unpaid balance until such civil penalty and accrued interest are both paid in full.
