Re: Administrative Complaint and Notice
of Opportunity for Hearing
Docket No. CWA-08-2010-0046

Dear Ms. Artemis,

On Oct 1, 2010, we received an Administrative Complaint and Notice of Opportunity for Hearing. I have talked with Wendy Silver and Seth Draper by telephone regarding a informal settlement conference. My concern was that I didn't have time to prepare for that informal conference as well as time to contact an attorney to review our case if we are unable to come to an informal settlement. Ms. Silver informed me that I could request an extension of the 30 day deadline for an answer to the complaint. I therefore request a 60 day extension which would put our deadline for an answer to the complaint and notice on or about Dec. 30, 2010. Our desire is to settle this complaint in a timely matter, through a informal settlement conference if possible.

Thank You for your consideration of this request.
