Docket No. RCRA-05-2025-0032

ORDER GRANTING MOTION TO EXTEND DEADLINE TO PAY PENALTY

On September 30, 2025, Respondent, Accu-Labs, Inc., filed a " Motion to Extend Deadline to Pay Penalty by Agreement of the Parties" (Motion). The Motion seeks an extension of time until October 30, 2025, to pay the penalty and meet other associated deadlines in the CAFO for the above-captioned matter due administrative errors made by EPA that resulted in the Respondent not receiving the CAFO until September 30, 2025. EPA does not object to Respondent's motion.

Pursuant to 40 C.F.R. § 22.7(b) and for good cause shown, Respondent's unopposed Motion is GRANTED. Respondents will have until and including **October 30, 2025**, in which to pay the penalty and meet associated deadlines in the CAFO.

IT IS SO ORDERED.
