FROM: Alex Chen, CNSL *Ac*
DATE: January 3, 2007
SUBJECT: Consent Agreement and Final Order for St. Louis Community College at Meramec (RCRA-07-2007-0004)

This is to document that on January 3, 2007, I spoke with Tina A. Odo, General Counsel for St. Louis Community College (Respondent) about a proposed change to the last sentence of paragraph 43.a.iv. on page 8 of the above-referenced Consent Agreement and Final Order (CAFO). This CAFO has already been signed by Respondent. Ms. Odo agreed to this change. Specifically, this change is as follows:

Original: If Respondent elects to apply knowledge of the process to make the waste determination, please provide a detailed explanation and reasoning regarding the basis for this determination.

Revision: If Respondent elects to apply knowledge of the process to make the waste determination, Respondent shall provide a detailed explanation and reasoning regarding the basis for this determination.

I informed Ms. Odo that the final version of the CAFO will include this change. She agreed with this as well.
