

**EPA Region 8 – Significant Deficiency Correction Notice**

Public Water System Name \_\_\_\_\_  
 Public Water System ID# \_\_\_\_\_  
 Public Water System Source Type: (circle one)    Groundwater    Surface Water

Received by  
 Mixed  
 EPA Region VIII  
 Hearing Clerk

**Instructions:**

Please use this form to report the correction of sanitary survey significant deficiencies identified during your last sanitary survey. List the individual significant deficiencies and the date of correction below. Pictures of corrections or a brief description of each correction is required. Label all pictures and correlate them to a specific significant deficiency. Include the name of the facility (e.g., well name and number, tank name and number, treatment plant, etc.) if applicable, and the correction date on any documentation you provide.

**If a WY DEQ permit was required to make any of the significant deficiency corrections, please include the permit number on the specific correction line below.**

Facility	Significant Deficiency	Date Corrected	Photos? [ ] Yes [ ] NA	WYDEQ Permit #

I certify that the information submitted with this report is true and accurate.
