### III. GOVERNING LAW

6. Respondent is a “person” as defined by Section 2(s) of FIFRA, 7 U.S.C. § 136(s), and, as such, is subject to FIFRA and the regulations promulgated thereunder.
7. Pursuant to 40 C.F.R. § 167.3, “pesticidal product” means a pesticide, active ingredient, or device.
8. Pursuant to 40 C.F.R. § 167.20(a)(1), any establishment where a pesticidal product is produced must be registered with the Administrator of the EPA. Registration of an establishment with the Agency activates a unique, site specific registration number known as the EPA Establishment Number (EPA Est. No.) which is issued to the applicant pursuant to 40 C.F.R. § 167.20(d).
9. Pursuant to Section 12(a)(1)(F) of FIFRA, 7 U.S.C. § 136j(a)(1)(F), it is unlawful for any person to distribute or sell to any person any pesticide device that is misbranded.
10. Pursuant to Section 2(q)(1)(A) of FIFRA, 7 U.S.C. § 136(q)(1)(A), a pesticide is “misbranded” if its labeling bears any statement, design, or graphic representation relative thereto or to its ingredients which is false or misleading in any particular.
11. A “pest” is defined in Section 2(t) of FIFRA, 7 U.S.C. § 136(t), as any insect, rodent, nematode, fungus, weed, or any other form of terrestrial or aquatic plant or animal life or virus, bacteria, or other micro-organism (except viruses, bacteria, or other microorganisms on or in living man or other living animals) which the Administrator declares to be a pest under Section 25(c)(1) of FIFRA, 7 U.S.C. § 136w(c)(1).
12. The term pesticide “device” is defined in Section 2(h) of FIFRA, 7 U.S.C. § 136(h) and 40 C.F.R. § 167.3, to mean any instrument or contrivance (other than a firearm) which is intended for trapping, destroying, repelling, or mitigating any pest or any other form of plant or animal life (other than man and other than bacteria, virus, or other microorganism on or in living man or other living animals); but not including equipment used for the application of pesticides when sold separately therefrom.

14. The term “produce” is defined in Section 2(w) of FIFRA, 7 U.S.C. § 136(w), to mean, in part, to manufacture, prepare, compound, propagate, or process any pesticide or active ingredient used in producing a pesticide. The term “produce” is further defined in 40 C.F.R. § 167.3 to mean to manufacture, prepare, propagate, compound, or process any pesticide, including any pesticide produced pursuant to Section 5 of the Act, any active ingredient or device, or to package, repackage, label, relabel, or otherwise change the container of any pesticide or device.

[EPA Form 3540-1] prior to the arrival of the shipment(s) into the United States, or, as an alternative to submitting an NOA, the importer or its agent may file an entry via the U.S. Customs and Border Protection's (CBP) Automated Commercial Environment (ACE) Data Processing System.

17. Pursuant to Section 14(a) of FIFRA, 7 U.S.C. § 136l(a), civil penalties for violations of FIFRA may be assessed by administrative order.

#### **IV. FINDINGS OF FACTS**

18. On or around June 1, 2020, Mallory Alexander International Logistics (herein Mallory Alexander), the licensed customs broker for SD International, incorrectly filed an entry in the CBP ACE system on behalf of SD International for the importation of 150 ozone generators indicating that the generators were not pesticides or pesticide devices. Included in the shipment were 40 "Odor Free Estate 4000" ozone generators, 50 "Odor Free Villa 3000" ozone generators, 40 "Odor Free Suite 1500" ozone generators and 20 "Odor Free Autel 1000" ozone generators. The shipment of products arrived at the Port of Atlanta, Georgia under Entry number HK8-40774028 on or around May 30, 2020.
19. Upon further review of the copies of the labels, it was found that the products being imported were pesticide devices because the owner's manual for the ozone generators including pesticidal claims including, "ozone will also kill mold and mildew" and "The Odor Free will fill the entire space with ozone to oxidize away odors at their source and kill mold and mildew." Further, the EPA determined that the generators were misbranded due to the absence of an EPA Establishment Number and false or misleading pesticidal claims being made concerning the efficacy of the generators without studies to support the pesticide claims. The EPA placed the imported misbranded products on a "hold intact" status such that the products could not be further distributed into commerce of the United States.
20. On or around June 19, 2020, SD International requested permission to relabel the ozone generators described above in Entry number HK8-40774028. On or around July 6, 2020, the EPA advised SD International that it would need to file an appropriate new entry in the CBP ACE system which indicates that the products being imported are pesticide devices. On July 21, 2020, Mallory filed a new entry under Entry HK8-40776551. On July 9, 2020, the EPA notified SD International that the ozone generators could be relabeled at Rakuten Super Logistics located at 1500 Distribution Court, Number 400, Lithia Springs, Georgia 30122 (EPA Est. No. 97069-GA-1). After receiving pictures and certification from SD International that it had completed relabeling by adding the EPA Establishment Number and removing any false or misleading claims, the EPA released the hold intact status on the products on August 7, 2020.
21. On or around June 23, 2020, Mallory Alexander incorrectly filed another entry in the CBP ACE system on behalf of SD International for the importation of 690 ozone generators indicating that the generators were not pesticides or pesticide devices. Included in the shipment were 230 "Odor Free Estate 4000" ozone generators, 220 "Odor Free Villa 3000" ozone generators, 90 "Odor Free Suite 1500" ozone generators and 150 "Odor Free Autel 1000" ozone generators. The shipment of products arrived at the Port of Atlanta, Georgia under Entry number HK8-40775264 on or around June 18, 2020.

22. On August 12, 2020, SD International requested permission to relabel the ozone generators described above in Entry number HK8-40775264. On August 27, 2020, the EPA advised SD International that it would need to file an appropriate new entry in the CBP ACE system which indicates that the products being imported are pesticide devices before the EPA could allow the products to be relabeled. On August 31, 2020, Mallory submitted new Entry number HK8-40778326 to replace Entry number HK8-40775264.
23. On September 15, 2020, the EPA issued a Stop Sale, Use, or Removal Order (SSURO), FIFRA-04-2020-0723, to SD International, pursuant to Section 13 of FIFRA prohibiting the sale, use, or removal of 690 misbranded ozone pesticide devices that arrived into the Port of Atlanta, Georgia under Entry number HK8-40778326 on or around June 18, 2020. After Respondent completed the relabeling and certified that it had returned to compliance, the EPA terminated the SSURO on September 15, 2020.

Accordingly, the EPA may require Respondent to pay the following amounts on any amount overdue:
- (a) Interest. Interest will begin to accrue on the civil penalty from the Effective Date of this CAFO. If the civil penalty is paid within 30 days of the Effective Date of this CAFO, interest is waived. However, if the civil penalty is not paid in full within 30 days of the Effective Date of this CAFO from the date that the EPA first mails notice to the Respondent that a stipulated penalty is due, interest will continue to accrue on any unpaid portion until the unpaid portion of the penalty and accrued interest is paid. This non-payment penalty is in addition to charges which accrue or may accrue under subparagraphs (a) and (c) and will be assessed monthly. 40 C.F.R. § 13.11(c).
  - (c) Monthly Handling Charge. Respondent must pay a late payment handling charge to cover the administrative costs of processing and handling the delinquent claim, based on either actual or average cost incurred. 31 C.F.R. § 901.9(c), and 40 C.F.R. § 13.11(b). ## VIII. EFFECT OF CAFO

37. In accordance with 40 C.F.R. § 22.18(c), Respondent's full compliance with this CAFO shall only resolve Respondent's liability for federal civil penalties for the violations and facts specifically alleged above.
38. Full payment of the civil penalty, as provided in Section VII (Terms of Payment), shall not in any case affect the right of the EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law. 40 C.F.R. § 22.18(c),
39. Any violation of this CAFO may result in a civil judicial action for civil penalties as provided in Section 14(a) of the Act, 42 U.S.C. § 136l(a), as well as criminal sanctions as provided in Section 14(b) of the Act, 42 U.S.C. § 136l(b). 43. The provisions of this CAFO shall apply to and be binding upon Respondent and its officers, directors, employees, agents, trustees, servants, authorized representatives, successors, and assigns.

46. By signing this Consent Agreement, the Complainant and the undersigned representative of Respondent each certify that he or she is fully authorized to execute and enter into the terms and conditions of this CAFO and has the legal capacity to bind the party he or she represents to this CAFO.
47. By signing this Consent Agreement, both Parties agree that each party's obligations under this CAFO constitute sufficient consideration for the other party's obligations.

48. By signing this Consent Agreement, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and continues to be, true, accurate, and complete for each such submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.
49. The EPA also reserves the right to revoke this CAFO and settlement penalty if and to the extent that the EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to the EPA. If such false or inaccurate material was provided, the EPA reserves the right to assess and collect any and all civil penalties for any violation described herein. The EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.
50. It is the intent of the Parties that the provisions of this CAFO are severable. If any provision or authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of such provisions to other parties or circumstances and the remainder of the CAFO shall remain in force and shall not be affected thereby.
51. Unless specifically stated otherwise in this CAFO, each party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding.
