Re: Closure of Emergency Administrative
Order
Docket No. SDWA-08-2009-0079
Y-O Ranch Estates Public Water
System
PWS ID #WY5600777

Dear Mr. Greer:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Emergency Administrative Order (Emergency Order), issued on August 18, 2009 to Y-O Investments, Inc., owner/operator of the Y-O Ranch Estates public water system. EPA has determined that Y-O Investments, Inc. has completed all actions outlined in the Emergency Order and in EPA's Emergency Administrative Order Addendum dated October 22, 2009, and that the water provided by the Y-O Ranch Estates public water system no longer presents an imminent and substantial endangerment to public health. Therefore EPA will close the Emergency Order at this time.

Please be aware that Y-O Investments, Inc. is still required to comply with the National Primary Drinking Water Regulations (NPDWR), 40 C.F.R. part 141. Violation of the NPDWRs may result in a court-imposed injunction and penalties of up to \$37,500 per day of violation.

Thank you for the actions taken to protect public health at the water system. If you have any questions about this matter, please call Mario Mérida at 303-312-6297.

Sincerely,

Lisa Kahn, Team Leader
Drinking Water Enforcement Program
