PROPOSED SPCC SETTLEMENT AGREEMENT

DOCKET NO. CWA-04-2010-7002

On: February 22, 2009 Time: 14:36
At: 303 Wilson Avenue, Tullahoma, Tennessee, the facility owned or operated by Wilson Sporting Goods, Company (Respondent), had a fuel release and in conjunction with this release, the United States Environmental Protection Agency (EPA) determined the respondent failed to fully comply with the Spill Prevention, Control and Countermeasures (SPCC) regulations promulgated at 40 CFR Part 112 under Section 311(j) of the Clean Water Act, 33 U.S.C. § 1321(j), (the Act), as noted on the attached (SPCC) Alleged Violations, which is hereby incorporated by reference.

EPA finds the Respondent was subject to the SPCC regulations and violated the SPCC regulations as further described in the SPCC Alleged Violations. The Respondent admits being subject to 40 CFR § 112 at all times relevant to this proposed settlement and that EPA has jurisdiction over the Respondent and the Respondent's conduct as described in the SPCC Alleged Violations. Respondent does not contest the Inspection Alleged Violations, and waives any objections Respondent may have to EPA's jurisdiction.

EPA is authorized to enter into this Proposed Settlement Agreement under the authority vested in the Administrator of EPA by Section 311(b)(6)(B)(i) of the Act, 33 U.S.C. § 1321(b)(6)(B)(i), as amended by the Oil Pollution Act of 1990, and by 40 CFR § 22.13(b). The parties enter into this Proposed Settlement Agreement in order to settle the civil violations described in the Alleged Violations for a penalty of \$600.00. The Respondent consents to the assessment of this penalty.

This Proposed Settlement Agreement is also subject to the following terms and conditions: Respondent certifies, subject to civil and criminal penalties for making a false submission to the United States Government, that the violations have been corrected and Respondent agrees to payment of the penalty upon written notice that the Proposed Settlement Agreement has been executed and is effective. **Do not enclose payment.** EPA will provide instructions in writing on the procedures for making penalty payments to the "Oil Spill Liability Trust Fund".

After this Proposed Settlement Agreement becomes effective and the assessed penalty is paid, EPA will take no further action against the Respondent for the violations of the SPCC regulations described in the Alleged Violations. However, EPA does not waive any rights to take any enforcement action for any other past, present, or future violations by the Respondent of the SPCC regulations or of any other federal statute or regulations.

Upon signing and returning this Proposed Settlement Agreement to EPA, Respondent waives the opportunity for a hearing or appeal pursuant to Section 311 of the Act, and consents to EPA's approval of the Proposed Settlement Agreement without further notice.

This Proposed Settlement Agreement is binding on the parties signing below, and is effective upon the filing by the Regional Hearing Clerk. If Respondent does not sign and return this Proposed Settlement Agreement as presented within 30 days of the date of its receipt, this Proposed Settlement Agreement is withdrawn without prejudice to EPA's ability to file any other enforcement action for the noncompliance identified in the Letter of Deficiencies.
