WILBUR-ELLIS COMPANY ACQUIRES THREE LOCATIONS

San Francisco, CA—April 28, 2010—Wilbur-Ellis Company announced today that it has purchased the assets of Premier Ag, LLC, a full service plant nutrition, seed and plant protection products retailer co-owned by Cargill and Sunray Co-op with headquarters in Dalhart, TX . The purchase includes locations in Sunray, TX and Hugoton, KS . The transaction closed April 28th.

In making the announcement, John P. Thacher, Wilbur-Ellis Company President and CEO, commented on the acquisition. "Joining Premier's business with our existing operations in West Texas has great potential. The quality of their employees led by an experienced manager like Brent Clark, combined with the additional resources that Wilbur-Ellis brings to them, will benefit both organizations," said Thacher.

Speaking on behalf of Premier Ag, LLC, Sunray's General Manager and Chairman of Premier Ag, LLC, David Reinders, stressed the value this sale will have for customers of Premier and patrons of Sunray Co-op. "We have known the Wilbur-Ellis people in our market for several years and feel strongly that they share our attitude about providing high levels of service to customers. There will be many opportunities to capitalize on their considerable resources to allow our patrons broader product offerings and expanded services," said Reinders.

Steven Dietze, Wilbur-Ellis Company Vice President and Southwest Business Unit Manager identified Premier's close proximity to existing operations as an important consideration in pursuing the acquisition. "The geography served by Premier provides us with a natural extension of the market that we now serve in West Texas. We feel that bringing this business together with ours will be good for both organizations," said Dietze.

The Premier locations will become part of the Southwest Business Unit and Brent Clark will continue to manage the business and will report to Phil Sullins, West Texas Area Manager.

About Wilbur-Ellis Company

THIS PRICING AGREEMENT/CONTRACT is made and entered into, by and between Eckhart Seed Co. hereinafter referred to as "bidder" and The City of Oklahoma City, a municipal corporation, or a Public Trust hereinafter referred to as the "Contract Entity."

WITNESSETH:

WHEREAS, the governing body of the Contract Entity has approved certain specifications and requested by notice that bids be submitted thereon; and

WHEREAS, this document until executed by the Mayor/Chairman of the Contract Entity constitutes the bidder's proposal; and

NOW, THEREFORE, that in consideration of the covenants, agreements and representations as hereinafter set forth, it is mutually agreed by the parties that:

1. The bidder agrees to sell and deliver to the Contract Entity, the items of material and/or services, specified in the submitted bid proposal, which is attached hereto and made a part of this pricing agreement/contract, or as listed below:

2. The Bidder expressly warrants that all articles, material, and/or work covered in this pricing agreement/contract will conform to the specifications attached and hereby incorporated, as if set forth in full herein; and further warrants that the same shall be of good material and workmanship, and free from defects.

3. If any of the goods fail to meet the warranties contained in Paragraph 2, above, the bidder, upon notice from the Contract Entity, shall promptly correct or replace the same at the bidder's expense. If the bidder shall fail to so do, the Contract Entity may cancel this order as to all such goods, and in addition, may cancel the then remaining balance of this order. After notice to the bidder, all such goods will be held at the bidder's risk. The Contract Entity may, at the bidder's direction, make available such goods to be returned to the bidder at the bidder's risk, and all transportation charges, both to and from the original destination, shall be paid by the bidder. Any payment for such goods shall be refunded by the bidder unless the bidder promptly corrects or replaces the same at the bidder's expense.

4. The Contract Entity agrees to pay to the bidder the price and amount in accordance with Paragraph 1 above, based on the quantity actually purchased, upon delivery to and acceptance by the Contract Entity, of the material and/or service[s] above described and upon the filing by the bidder, and approval by the Contract Entity, of a verified claim for the amount due.

5. The bidder agrees, in connection with the performance of work under this pricing agreement/contract:

a. That the bidder will not discriminate against any employee or applicant for employment, because of race, creed, color, sex, age, national origin, ancestry or disability. The bidder shall take affirmative action to insure that employees are treated without regard to their race, creed, color, age, national origin, sex, ancestry or disability. Such actions shall include, but not be limited to, the following: employment, promotion, demotion or transfer, recruitment, advertising, lay-off, termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. The bidder agrees to post, in a conspicuous place available to employees and applicants for employment, notices to be provided by the City Clerk/Secretary of the Contract Entity setting forth the provisions of this section, and;

b. That the bidder agrees to include this non-discrimination clause in any subcontracts connected with the performance of this pricing agreement/contract.

6. In the event of the bidder's non-compliance with the above non-discrimination clause, this pricing agreement/contract may be canceled or terminated by the Contract Entity. The bidder may be declared by the Contract Entity ineligible for further pricing agreement[s]/contract[s] with the Contract Entity until satisfactory proof of intent to comply is made by the bidder.

7. The risk of loss or damage shall be borne by the bidder at all times until the acceptance of goods, properly packed, by the Contract Entity.

8. This pricing agreement/contract, specifications and any attachments constitutes the entire understanding and agreement of the parties upon the subject matter hereof. There is no agreement, oral or otherwise, which is not contained in or attached to this pricing agreement/contract. This pricing agreement/contract may not be modified or assigned unless approved in writing and signed by both parties.

9. The parties assume and understand that the variables in the bidder's cost of performance may fluctuate; consequently, the parties agree that any fluctuations in the bidder's costs will not alter the bidder's obligations under this pricing agreement/contract nor excuse performance or delay on the bidder's part.

10. This pricing agreement/contract shall be inoperative during such period of time that the aforesaid delivery or acceptance may be rendered impossible by reason of fire, Act of God or government regulation. Provided, however, to the extent that the bidder has any commercially reasonable alternative method of performing this pricing agreement/contract by purchase on the market or otherwise, the bidder shall not be freed of any obligations hereunder by this clause, even though the goods intended for this pricing agreement/contract were destroyed or their delivery delayed because of an event described above.

11. The shipping or receiving of any goods under this pricing agreement/contract shall not be deemed, or be, a waiver of any right to damages for any prior failure to ship or receive any goods.

12. This pricing agreement/contract shall be governed by the laws of the State of Oklahoma.

13. The bidder shall be responsible for complying with all applicable federal, state and local laws.

The undersigned individual states that the Bidder will be bound by its bid, the specification, the terms and conditions of the pricing agreement/contract, and the requirements for bidders.
