RE: Oxford Aviation, Incorporated
Docket Number:RCRA-01-2010-0039

Dear Ms. Santiago:

Thank you for your previous consideration and extension to the filing dates for an *Answer to the Administrative Complaint and Notice of a Hearing*.

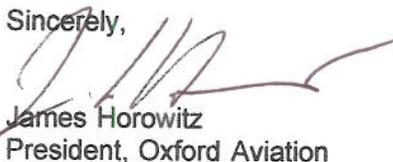

Since that time, Oxford Aviation has met with Steven Schlang, Enforcement Counsel for the EPA and Mr. Meyer with what we all believe was a very informative and helpful opportunity for us to elicit a satisfactory resolution to this matter.

As a result of this meeting, we are awaiting further evaluations by the EPA and as requested are presenting all Oxford Aviation's relevant financial materials to Ms. Medeiros regarding the Ability to Pay provisions.

Mr. Schlang has asked that I advise you of his support for another extension, given the considerable efforts from both parties to reach a resolution without the need of a hearing, and the repudiated efforts by all.

Thank you in advance for your consideration and please feel free to contact me directly if you have any questions whatsoever.

Sincerely,

James Horowitz
President, Oxford Aviation
