Marathon (dba BP) facility, 288 West 147th Street, Harvey, Illinois 60626 ICIS

#3601320239 RUST-05-2021-0015

Dear Mr. Ahmed:

On August 11, 2021, the U.S. Environmental Protection Agency, Underground Storage Tank (UST) Section issued a Notice of Violation and a Compliance Order/Settlement Agreement (Field Citation) concerning an UST violation (i.e., failure to have designated C operators trained) found at the Harvey Marathon (dba BP) facility located at 288 West 147th Street, Harvey, Illinois.

On August 31, and September 1, 2021, EPA received your signed copy of the Settlement Agreement and supporting documentation. Also, on September 14, 2021 the EPA finance office confirmed receipt of your payment (check #1372) for a total of \$470.00 in penalties.

The Settlement Agreement states that it is effective upon EPA's final approval. I have enclosed (see email attachment) a signed and dated copy of the approved Settlement Agreement. The original Settlement Agreement will remain in the EPA's files. We also have accepted and processed your check as part of the settlement process.

If you have any questions, please feel free to contact Arturo Cisneros, of my staff, at (312) 886-7447.

Sincerely,

Julie Morris
