Re: Termination of Administrative Order Issued Pursuant to Section 7003 of RCRA
Docket No. RCRA-08-2020-004

Dear Kendal Hacking:

On September 5, 2024, RN Industries, Inc. (a subsidiary of Dalbo Holdings, Inc.) submitted a request to terminate the Administrative Order on Consent Docket number RCRA-08-2020-004 (Order) to the U.S. Environmental Protection Agency, according to paragraph 107 of the Order. Based on information submitted by RN Industries, the EPA has determined that all requirements of the Order have been satisfactorily completed. This letter serves as written notice that the Order is hereby terminated.

Please note, however, that this letter does not terminate the obligation of RN Industries to comply with the ongoing responsibilities under the Order, such as record availability and retention in section XII of the Order.

If you have any comments or questions concerning this notification, please feel free to contact Annette Maxwell of my staff at maxwell.annette@epa.gov or (303) 312-6068, or for legal questions, Chuck Figur of the Office of Regional Counsel at figur.charles@epa.gov.

Sincerely,

Susarla, Sridhar
