**Re: Request for an Extension to File a Second Answer and  
Hearing Request on Complaint CAA-02-2007-1222  
Royson Corporation**

Dear Ms. Maples:

As you may be aware, this firm has been retained as counsel in the above referenced matter. I am requesting an additional sixty day (60) extension to file an answer and hearing request pursuant to the consolidated rules of practice governing the administrative assessment of civil penalties and the revocation/termination or suspension of permits. 40 C.F.R. 22.7.

Helen Ferrara in her capacity as Regional Judicial Officer granted the initial extension request until December 5, 2007. At this time, Roysons Corporation and Peter Putignano, Esq. of the United States Environmental Protection Agency are currently in the process of settlement. In a telephone conversation with Mr. Putignano, Esq., he expressed no opposition to this second extension for filing.

If you require any additional information, please do not hesitate to contact me at your earliest convenience.

Very truly yours,

  
Gary F. Danis, Esq.
