Subject: RE: GOODWIN - Contract for Site Stabilization Plan

Good morning,

Thank you for providing the additional detail on your anticipated timeframe for submittal of the Temporary Stabilization Plan. The deadline that you have proposed sounds reasonable to EPA. EPA agrees to the extension of the deadline to submit the Temporary Stabilization Plan pursuant to EPA docket # CWA-03-2022-0039DW to February 18, 2022.

Please let me know if there is any information that I can provide to help you/your team as you begin to develop the plan. Also, as you visit the site and work on the plan you may find it beneficial to reach out to Roger Black with Fluvanna County (rblack@fluvannacounty.org). Once submitted, EPA will be reviewing the Temporary Stabilization Plan in concert with the county.

Sincerely,
Katelyn

Good Morning, Natalie.

Please except this email as our formal request for extension of the deadline required by the Order. We would like to plan to submit the Site Stabilization Plan by February 18, 2022 (about 1 month from executed contract with Client), if amenable to you. Due to weather, my team has yet to visit the site so this requested extension will allow us time to perform a brief site visit, plan preparation, and internal review.

Thank you for your consideration,
Rebecca

Paul, thank you very much.

Rebecca, we look forward to working with you. Do you have a date when you expect to submit the Site Stabilization Plan? Under the Administrative Order on Consent, the Plan was due on January 11, 2022. We would like to work with you all to formalize an extension of the deadline required by the Order.
