STATUS REPORT

Complainant, through counsel and pursuant to the suggestion of the Presiding Officer, provides this report on the status of the parties' settlement negotiations.

Respondent has executed the CAFO, and Complainant's office has received the executed document. Complainant is routing the document for execution by Agency signatories.

Complainant expects to forward a copy of the filed CAFO to the Presiding officer by Tuesday, May 27, 2008. In the unlikely, though possible, event the CAFO is not filed with the Regional Hearing Clerk by that day, Complainant will file an additional report informing the Presiding Officer of the status of the matter.

Again, Complainant appreciates the patience of the Presiding Officer.

Respectfully submitted,

Robert S. Guenther  
Associate Regional Counsel
