I. INTRODUCTION

1. On September 29, 2000, the U.S. Environmental Protection Agency (EPA) issued a Corrective Action Order on Consent (Order), Docket No. RCRA-08-2000-0017, to Raytheon Aircraft Company (Respondent) requiring corrective action at Respondent's property located at 6859 North Foothills Highway, Boulder County, Colorado (Subject Property).

3. Respondent has entered a Corrective Action Plan (CAP) with the Colorado Department of Public Health and Environment (CDPHE) regarding corrective action at the Subject Property. CDPHE approved the CAP on September 26, 2024.
4. The CAP is enforceable by the State of Colorado and will require Respondent to continue with implementation of corrective action pursuant to oversight by CDPHE.
5. The corrective action requirements of the CAP are equivalent to or more stringent than the requirements remaining under the Order.
6. Section XXVII of the Order states that the record preservation provisions of the Order set forth in section XVI survive the termination of the Order.

8. EPA reserves the right to issue an administrative order or to institute proceedings in this action or in a new action seeking to compel Respondent to perform further corrective action at the Subject Property. No other provision in this filing should be interpreted to diminish or prejudice the EPA's authority to take such action.
