6. Section 2(t) of FIFRA, 7 U.S.C. § 136(t), defines the term “pest” to mean (1) any insect, rodent, nematode, fungus, weed, or (2) any other form of terrestrial or aquatic plant or animal life or virus, bacteria, or other micro-organism (except viruses, bacteria, or other micro-organism on or in living man or other living animals) which the Administrator declares to be a pest under Section 25(c)(1).

7. Section 2(u) of FIFRA, 7 U.S.C. § 136(u), defines the term “pesticide” to mean any substance or mixture of substances intended for preventing, destroying, repelling, or mitigating any pest.

8. Section 2(s) of FIFRA, 7 U.S.C. § 136(s), defines the term “person” to mean any individual, partnership, association, corporation, or any organized group of persons whether incorporated or not.

9. Section 2(gg) of FIFRA, 7 U.S.C. § 136(gg), defines the term “to distribute or sell” to mean to distribute, sell, offer for sale, hold for distribution, hold for sale, hold for shipment, ship, deliver for shipment, release for shipment, or receive and (having so received) deliver or offer to deliver.

10. Section 12(a)(1)(C) of FIFRA, 7 U.S.C. § 136j(a)(1)(C), states that it shall be unlawful for any person to distribute or sell any registered pesticide the composition of which differs at the time of its distribution or sale from its composition as described in the statement required in connection with its registration.

11. 40 C.F.R. 152.132, states that a registrant may distribute its registered product under a supplemental distributor. The regulations go on to state that the distributor is considered an agent of the registrant for all intents and purposes under the Act, and both the registrant and the distributor may be held liable for violations pertaining to the distributed product.

14. At the time of the inspection, Water Engineering, Inc., was acting as a supplemental distributor of BWA Water Additives US, LLC product Bellacide 355, EPA Registration Number (EPA Reg. No.) 83451-16, which it produced and distributed as WEI product Formula 145, EPA Reg. No. # 83451-16-68314

25. For purposes of this proceeding, Respondent admits the jurisdictional allegations set forth above, and agrees not to contest EPA's jurisdiction in this proceeding or any subsequent proceeding to enforce the terms of the Final Order.

34. Respondent consents to the issuance of the Final Order hereinafter recited and consents to the payment of a civil penalty as specified in the Final Order.
