Subject: Closure of Administrative Akal Energy-Buford Outpost (WY5601729), Docket No. SDWA-08-2026-0001, Albany County, WY

Dear Mr. Pandher:

This email relates to the EPA's administrative enforcement action for noncompliance at the Akal Energy-Buford Outpost Public Water System, WY5601729 (System). By this email, the EPA is closing EPA Docket No. SDWA-08-2026-0001 and the administrative order issued to you on October 3, 2025.

On May 21, 2026, the EPA issued a **new** administrative order (EPA Docket No. SDWA-08-2026-0039) to you, Amandeep Pandher, and Akal Energy, LLC to address the System's noncompliance with the National Primary Drinking Water Regulations found in 40 C.F.R. Part 141. The new order reflects the Agency's most up-to-date understanding of the System's ownership and **supersedes** the order specified in the subject line. Please be aware that you are still required to comply with the regulations in 40 CFR Part 141. Violation of these regulations may result in a court-imposed injunction, monetary penalties, or both.

If you have any questions regarding this matter, please contact me.
