This ESA is issued to: SilverEdge Cooperative

for violating Section 112(r)(7) of the Clean Air Act.

The United States Environmental Protection Agency, Region 7 (EPA or Complainant) and SilverEdge Cooperative (Respondent) have agreed to a settlement of this action before filing of a complaint, and thus this action is simultaneously commenced and concluded pursuant to Rules 22.13(b) and 22.18(b)(2) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (Consolidated Rules), 40 C.F.R. §§ 22.13(b), 22.18(b)(2).

Complainant, as duly delegated by the Administrator of the EPA, is the Director of the Region 7 Enforcement and Compliance Assurance Division. Respondent is SilverEdge Cooperative, an Iowa company registered to do business in Iowa and whose registered office in Iowa is located at 39999 Hilton Road, Edgewood, IA 52042.

This is an administrative action for the assessment of civil penalties instituted pursuant to Section 113(d) of the Clean Air Act (CAA). Pursuant to Section 113(d) of the CAA, 42 U.S.C. § 7413(d), the Administrator and the Attorney General jointly determined that cases which meet the criteria set forth in EPA's policies entitled "Use of Expedited Settlements in Addressing Violations of the Clean Air Act Chemical Accident Prevention Provisions, 40 C.F.R. Part 68," dated January 5, 2004, and "Changes to Restrictions on the Use of Expedited Settlements in Addressing Violations of the Clean Air Act Chemical Accident Prevention Provisions," dated December 20, 2013, are appropriate for administrative penalty actions.

ALLEGED VIOLATIONS

On or about June 12, 2024, an authorized representative of the EPA conducted a compliance inspection of Respondent's facility located at 2416 State Highway 38, Delhi, IA 52223 to determine compliance with the Chemical Accident Prevention Provisions (CAPP, commonly known as the Risk Management Program regulations), promulgated pursuant to Section 112(r)(7) of the CAA and found at 40 C.F.R. Part 68. The EPA found that Respondent violated the CAPP as noted on the enclosed CAPP Inspection Findings, which is hereby incorporated by reference.

SETTLEMENT

In consideration of Respondent's size of business, its full compliance history, its good faith effort to comply, and other factors as justice may require, and upon consideration of the entire record, the parties enter into the ESA in order to settle the violations, described in the enclosed CAPP Inspection Findings, for the total penalty amount of **\$5,320**.

This settlement is subject to the following terms and conditions:

Each party to this action shall bear its own costs and fees, if any.

Respondent also certifies, subject to civil and criminal penalties for making a false submission to the United States Government, that Respondent has corrected the violations listed in the enclosed CAPP Inspection Findings and has paid the penalty of **\$5,320**.
