On August 31, 2005, EPA obtained the concurrence of the U.S. Department of Justice, pursuant to Section 113(d)(1) of the Act, 42 U.S.C. § 7413(d)(1), to pursue this administrative enforcement action.

ALLEGED VIOLATIONS

EPA found that Respondent had violated regulations implementing Section 112(r) of the Act at 40 C.F.R. Part 68 by failing to comply with the regulations as noted on the enclosed Risk Management Plan Inspection Findings, Alleged Violations and Proposed Penalty Summary (Summary) and the Risk Management Plan Inspection Findings, Alleged Violations and Proposed Penalty Sheet (Sheet), which are hereby incorporated by reference.

SETTLEMENT

In consideration of Respondent's size of business, its full compliance history, its good-faith effort to comply, and other factors as justice may require, and upon consideration of the entire record, the parties enter into the ESA in order to settle the violations, described in the enclosed Summary and Sheet for the total penalty amount of **\$1,750**.

This settlement is subject to the following terms and conditions:

Respondent, by signing below, waives any objections that it may have regarding jurisdiction, neither admits nor denies the specific factual allegations contained herein and in the Summary and Sheet, and consents to the assessment of the penalty as stated above.

Respondent waives its rights to a hearing afforded by Section 113(d)(2)(A) of the Act, 42 U.S.C. § 7413(d)(2)(A), and to appeal this ESA. Each party to this action shall bear its own costs and fees, if any.

Respondent also certifies, subject to civil and criminal penalties for making a false submission to the United States Government, that Respondent has corrected the violations listed in the enclosed Summaries and has sent a cashier's check or certified check (payable to the "Treasurer, United States of America") in the amount of \$1,750 in payment of the full penalty amount to the following address:

Upon Respondent's submission of the signed original ESA, EPA will take no further civil action against Respondent for the alleged violations of the Act referenced in the Summary. EPA does not waive its right to any other enforcement action for any other violations of the Clean Air Act or any other statute.

If the signed original ESA with an attached copy of the check is not returned to the EPA at the above address by Respondent within 45 days of the date of Respondent's receipt of it (90 days if an extension is granted), the proposed ESA is withdrawn, without prejudice to EPA's ability to file an enforcement action for the violations identified herein and in the Summary and Sheets
