Re: In the Matter of Family Tree Corporation  
Docket No. CWA-08-2011-0013  
Case Conclusion Letter

Dear Mr. Rapacki:

The U.S. Environmental Protection Agency (EPA) received Family Tree Corporation's final payment in the above-referenced matter on July 16, 2013. Based on Family Tree's full compliance with the settlement terms agreed to by the parties in the Consent Agreement and Final Order dated October 3, 2011, the EPA has determined to close the case.

Please be aware that Family Tree must continue to comply with the Clean Water Act, as amended by the Oil Pollution Act of 1990 (OPA), and the oil pollution prevention regulations set forth at 40 C.F.R. part 112 at all applicable Family Tree non-transportation related onshore facilities engaged in producing, gathering, storing, transferring, using, or consuming oil or oil products.

If you have any questions, please contact Donna Inman, OPA Technical Enforcement Program, at (303) 312-6201 or me at (303) 312-6906. Thank you for your assistance in resolving this matter.

Sincerely,
